

The background is a dark blue gradient with several bright, diagonal light streaks or lens flares. One prominent streak runs from the bottom right towards the center, while others are more diffuse and spread across the upper left and middle sections.

共生 / Symbiosis

敦煌壁画中的三兔共耳

Three rabbits have the common ears, and this pattern rooted in Dunhuang grotto murals.

一团和气

A prevailing mood of harmony. Two men hug each other in the picture, but from another perspective, as is just only one with smile

六子争头

Six children just have three heads .According to the Chinese traditon , it means they strive for the first .

背景的数字化分析

The digital analysis of the background

The background is a dark blue gradient with several bright, diagonal light streaks or lens flares. One prominent streak runs from the bottom right towards the center, while others are more diffuse and spread across the upper left and middle sections. The overall effect is a sense of motion and depth.
